

Verbal Release of Information

Phone (815) 397-8400

Medical Pain Management Services is committed to keeping our patients' private health information confidential. However, we realize there may be circumstances when you would like to have a spouse or close relative make appointments, request prescriptions, or have other communication with our office. If you wish others to have the right to call our office regarding your care at Medical Pain Management Services, please list the name and relationship below.
